

Amendment to Proposal No. 1

Club : IWC Pandharpur District 313

Seconded by : District Committee 313

Number of the Proposal : 1

Paragraph : line 2

Delete : "with no voting rights"

To Read : "Constitution and Credentials Committee Chairman will also be a part of Association Executive Committee".

Motivation : At the International Inner Wheel level Officers include Chairman of the Constitution Committee (reference page No. 5 & 6 of the Association Bylaws). These Officers form the Executive Committee and have 1 vote each. The same should be applicable at the Association level. We shouldn't deprive her of her right to vote as she is a very important and Helping Personality with her Experience and knowledge of Constitution for Association Executives.

Proposed by :

Inner Wheel Club of Coimbatore District 320

Seconded by :

Inner Wheel Club of Coimbatore North 320

Page : 88

General Motion:

A bank account may be opened by the Association/District when there is an urgent need to collect funds for Natural Calamities or in event of Disaster Relief. This Account to be operated by at least two Past Association Presidents or present officers of Association/ Past District Chairman or Present Executive Committee of the District jointly. This account to be closed once the purpose is served.

Funds collected has to be used only for the purpose it was collected for. An account of the same has to be presented at the Association EC and Council meeting/District Executive meeting and a District Committee meeting. These audited accounts to be circulated along with the minutes of the meeting.

Motivation

When a Natural Calamity occurs, the EC members of that area may not be in a position to function with their regular duties. In the recent Kerala floods-many members were stranded and cut off. They may not have telephone connectivity, Electricity and internet connection, hence this is needed. Time is of essence and relief measures have to be taken immediately. As there is no provision to open an account in an emergency situation, this General Motion is needed. Thus an account to be opened and authorized signatories to operate it.
